

# Pricing and Fees

## Site Definition

A site is defined as an entity in the **k12pages** system identified by a unique “shortcode”, the name that is used in the URL to identify the site.

## Software License

Each site shall be charged a one-time fee of \$2000.00 for the rights to use the **k12pages** web authoring and hosting software. The duration of these rights extend for as long as that site maintains a valid Hosting Services Contract (see below) with **k12pages**. Any breach of the Hosting Services Contract by the school represents a discontinuation of the license to use **k12pages** web authoring and hosting software.

## Hosting Services Contract

The Hosting Services Contract provides a site with remote hosting of its **k12pages** website, automatic installation of all upgrades and add-ons that become available throughout the duration of the contract, and technical assistance (see below).

Each Hosting Services Contract is valid for one year, is non-refundable, and is renewable upon the anniversary of the sites Software License. Contracts may be purchased by independent sites or district-wide.

## Hosting Services Contract Fee

- FREE for the first year following the purchase of a Software License
- \$1 per enrolled student for each subsequent year for school sites. Student enrollment will be determined by using the most recent official state reported student body count. This rate is guarantee for three years from the anniversary of the Software License.
- \$500 per year for a district level web site for each subsequent year.

## Training

Training is available at a rate of \$500 per eight-hour day for up to 20 persons. Two days of training with the building level webmasters is recommended for very rapid deployment.

## Technical Assistance

Technical assistance is available for **k12pages** products by either email or phone.

- Email - Email is the preferred method of communication. **k12pages** will make every effort to respond to email within 24 hours. Email support on **k12pages** products is free and unlimited.
- Phone - Each site is allowed two hours of free phone support per Hosting Services Contract (year). Additional phone support is available at a rate of \$50 per hour.

**k12pages** does not offer support on general web page design, CSS, graphics editing, or other non- **k12pages** specific items.
